Primary Examiner, Art Unit 2161

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art made of record does not teach or fairly suggest the combination of elements as recited in the following independent claims. Specifically, the prior art does not teach:

Claim 1: a battery check circuit to be powered by the back-up voltage supply and to determine in response to an attempt at system power-on, whether to provide power from a battery different than said back-up battery to the at least one electronic component by comparing the battery's power level to a predetermined power level.

Claims 7 and 12: powering, using a second battery, a battery check circuit for testing a power level of a first battery upon system startup regardless of a power state of the first battery; testing whether the power level of the first battery is less than a first level responsive to a stimulus that indicates application of power is desired but before power is provided.

Claim 22: a battery check circuit that is, in response to actuation of the power switch, powered during a battery test interval exclusively by the backup battery, regardless of the charge status of the main battery, the battery check circuit to determine based on the charge status of the main battery whether to supply power from the main battery to the plurality of system components, wherein the battery check circuit is to assert a power supply enabling signal if the charge status is greater than or equal to a predetermined charge level and otherwise to assert a shutdown signal prior to supplying power from the main battery to the plurality of system components

Art Unit: 2161

The dependent claims being definite, further limiting and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
